The Humane Society & SPCA of Hancock County exists to educate the public on the responsible treatment of animals; to humanely provide for and protect unwanted, lost and abused animals; and, to create a quality environment for all animals through its policies and presence in the community.

2020 Year in Review

2020 was quite the year at the Humane Society. Just like everyone else, we had to adapt to a “new normal”. We shut down our spay/neuter clinic for a period of time, and operated by appointment only to visit animals, buy dog licenses, surrender pets, etc. Despite the pandemic, it did not slow down the Humane Society’s ability to help the homeless animals of Hancock County.

We had a case of nearly 50 dogs that were removed from a home near Findlay. This was the largest of the hoarding cases this year. The dogs were under-socialized; they didn’t know how to walk on a leash, weren’t potty-trained, didn’t trust many humans, and overall – they needed to learn how to be dogs. Over the duration of their stay, “the 50” have made remarkable leaps and bounds! All but two (Oliver & Bub) have been adopted. We know the perfect families are out there for the remaining gentlemen. In the meantime, they will be able to call the Humane Society their home.

Bub (L) & Oliver (R) from “the 50”

The spay & neuter clinic saw many patients coming from areas outside of Hancock County including Lima, Kenton, and Bloomdale; demonstrating the continued need for access to high-quality, low-cost spay/neuter services in the area. Even with being shut down for a few months, we were able to spay and neuter **959** dogs/cats in 2020.

The Maxwell Meyers Memorial Golf Classic & Mutt Strut was a huge success in 2020! We had our first ever hole-in-one winner; Eric Stacy. Let your golf buddies know the 2021 Golf Classic will be held in early May 2021 at Sycamore Springs.

We are grateful for the generosity the community showed us with annual giving, wish list donations & support during a difficult time. Our next year’s project is to repair and refresh our facility as it is now 30 years old and showing his age. It is our goal to be an integral part of our community and continue to gain the support needed to serve the animals that are in our care.

Foundation Business, *Eli Stacy*

At the last foundation meeting, carpet removal in the front offices was approved. Long-term would be the entire front of the building. \$4.50/sq foot. Enhance Surfaces will be doing this because they are the only specialty flooring in the area.

Multipurpose building hasn't been rented yet. The last company interested was a light manufacturer, however; their biggest concern is easy recognition. There isn't enough signage for them to be seen off of SR 12.

Next foundation board meeting will take place on April 14, 2020 at 7:30 am at the Humane Society. Doug Bonnorant will be coming to the April 14th foundation board meeting.

New Business/Old Business, *Paula Krugh*

We are still moving ahead with Maxwell Meyers and Dogpawlooza this year. A big change - Maxwell Meyers will be held at Sycamore Springs. Last year we had some very different fundraisers - one of the most amazing, Tails n' Tats. Tails n' tats raised over \$5,000. We will be having another in July 2020.

1109 spay/neuters performed. Dr. Mather is the lone Doctor. right now. Dr. Recker will fill in as needed.

Dr. Beckett retired from the Humane Society after over 44 years. We'd like to honor him for all of his work and his support of the shelter. He does not want anything named after him, or plaques.

It was suggested to possibly have Dr. Beckett as an honorary golf chairman.

Coming into 2020, we are looking to grow the front office. We are working hard to get a volunteer coordinator in place along with a better volunteer training program.

We will be taking funds from Kuhlman monies to put into our medical needs - Stacy fund.

Annual giving was over \$34,000 in 2019. In past years annual giving was around \$19,000. Larger gifts from people could be the reason for a spike.

Sherri commented the U of F made their own "Giving Tuesday", that could be something the shelter foundation can do to grow funds.

Personnel Committee is working hard on the flow chart. The finance committee will sometime get back together.

Paula and Shelly worked with Diana on the new budget.

Adjournment

Laura Mather, DVM made a motion to adjourn the meeting. Tim Federici seconded. Motion carried.

Mission Statement: The Humane Society & SPCA of Hancock County (Humane Society) exists to educate the public on care and responsible treatment of animals; to humanely provide for and protect unwanted, lost, and abused animals; and to create a quality environment for all animals through its presence in the community.

Without the Humane Society, we would not have a location to shelter and provide a loving home for these animals, provide food for needy families' pets and offer low-cost spay/neuter surgery.

Our ability to provide loving and compassionate care to our local animals has been impacted by the COVID-19 pandemic. We have worked hard to continue to give the support to our community to insure care to needy animals during this trying time. Our organization is directly dependent upon support from donors like you as our fundraising events have been severely limited this year. We receive no

funding from national organizations nor are there any tax dollars to help our local shelter.

Turn your love of animals into a legacy at the Humane Society with our endowed fund or planned giving options:

4 Opportunities where funds may be designated:

- The Humane Society has housed up to 1,500 animals a year. Direct donations allow us to utilize funds as needed at the shelter under the direction of our Board of Directors.
- Lisa Denman Stacy medical fund is a designated fund that enables us to provide medical care for animals in the shelter including; vaccinations, spay/neuter surgeries & those that need special care.
- The Humane Society's Foundation provides lasting financial support for the Humane Society, the community, and the animals that it serves. Bequests and donations to the Foundation are managed by the separate Foundation Board.
- The Findlay-Hancock County Community Foundation improves the quality of life in Hancock County through collaborative leadership and responsible grant making. Bequests and donations to the Findlay-Hancock County Community Foundation are managed for the benefit of the Humane Society and pay a small designated percentage that allows the principal to grow and be maintained.
